

## EARLY FALL WORKSHOPS

### SILVER METAL CLAY: PENDANTS, EARRINGS & CHARMS Donna Yutzy

Saturday, October 6 | 12:00pm to 4:30pm

A class for beginners and anyone interested in developing their metal clay skills! We will cover the different skills of working with fine silver metal clay, including setting of kiln-ready stones (CZ's). Projects will be fired the next day before class. We will cover polishing and antiquing methods. Sterling silver findings and chains will be offered if you would like to make a purchase.

**Workshop Fee:** \$65 plus \$35 materials charge for the metal clay medium

### HARD WIRE & SOFT BRAID Hank Murrow

Saturday, October 20 | 10:00 am to 2:00pm, cont. on  
Saturday, October 27 | 10:00 am to 2:00pm  
*with optional follow-up session on Sat, November 17*

Join us for two mornings in October to learn the decorative surface techniques of using Hard Wire and Soft Braid. A third Saturday in November is offered to discuss the fired results of glazes on these textures and on an expanded variety of forms. This workshop is being planned as a 2 hour detailed demonstration session followed by an optional 2 hour hands-on coaching session with participants.

This workshop will be open to Clay Space students, members and non-members. Please check with us in late August for further details!

## THE STORE AT CLAY SPACE

Your purchases help support local artists *and* help support the operation of Clay Space as an artistic and educational facility in our community. Find affordable and pleasure-giving handmade objects, ceramic and otherwise. T-shirts, aprons and tool kits are also available. Gift certificates can be purchased and used for store merchandise, classes, and clay packages. **Open during all Clay Space open hours!**

## POTTERY STUDIO

Session 5 | Fall 2018

# LEARN CREATE HAVE FUN

Seven Days A Week!

541.653.8089

[www.clayspaceonline.com](http://www.clayspaceonline.com)

### Fall at Clay Space:

Fall is approaching. It's time to get back into the studio! Join us for a great selection of classes and workshops — wheel classes on Mondays and Wednesdays, porcelain classes on Sundays and Mondays and stoneware handbuilding on Tuesdays and Thursdays. Look for our workshops this fall — techniques with Hank Murrow, monster making with James DeRosso and metal clay with Donna Yutzy. As we move into the holiday season, watch for a couple of Date Night and family-oriented workshops and our annual Holiday Sale. See you then! Let your creativity flow!!!

### Other ways to use the studio

If you would like to make Clay Space a part of your regular schedule, we have a **month-to-month membership**, and a **3-month membership** option. There are some great benefits to having a membership, including unlimited access to Clay Space during normal business hours. That means there's no limit on how much time you can spend creating!

**Ten-packs\*** and **day passes** are other easy and flexible ways to use the studio for experienced clay folk. One ten-pack gives you ten day-long visits to the studio for you to use at your convenience. Ten-packs can also be shared.

(\*Note: Our 10-Packs expire 12 months from purchase date. Day passes and 10-Packs are for people who have experience with clay and are able to work in the studio on their own without instruction)

### Remember to visit our store!

*You'll be supporting creative expression in our community.  
Give wonderful gifts whenever you can!*

# FALL CLASSES 2018

Session 5: September 9 — October 26 (7 weeks unless noted)

Most classes are for ages 16 and on. Ceramics classes include unlimited studio use during regular Clay Space hours.

## CELEBRATING PORCELAIN

**Katie Swenson**

**Cost: \$210**

**Mondays 12pm to 3pm**

**September 10 to October 22**

Join us for an afternoon class of hand building with Porcelain — As autumn days and fall colors approach, we can find a new inspiration. Porcelain embraces light and lets it shine through with a glow that is intriguing and delightful. This property of translucency becomes evident after the work completes in the final fire. With use of our colored porcelain clay, we will marble, inlay and combine patterns that show off this white clay body and its unique properties. Katie loves to share her methods and has worked with Porcelain for all of her career. Any questions or design issues will be addressed with an enthusiasm for discovery and meeting a challenge. Often the students continuing are an added source of inspiration and guidance. Open to all levels of ability.

**(7 weeks) Includes 12.5 lbs. of porcelain clay, glazes, firing & unlimited studio use**

## INTERMEDIATE/ADVANCED WHEEL THROWING

**Mariah Williams**

**Cost: \$185**

**Mondays 7pm to 9pm**

**September 17 to October 22**

Would you like to hone your wheel throwing skills? Do you have an interest in throwing multi-part forms? Have you ever wanted to create the perfect teapot? This class is open to intermediate/advanced level throwing enthusiasts who are interested in developing their techniques and creating multi-part forms with depth and decoration. Learn how to throw many different lidded forms, make a functioning teapot, and master that pesky bottle neck. Jam-packed with multilevel demonstrations on precision throwing and connecting forms, as well as a brief look into decorating the surface of pottery. Full of insightful information and geared toward student needs in the advancement of creating technical forms.

**(6 weeks) Includes 25 lbs of clay, glazes, firing & unlimited studio use**

## BEGINNING WHEEL THROWING — AFTERNOONS

**David Winget**

**Cost: \$210**

**Wednesdays 11am to 1pm**

**September 12 to October 24**

Interested in trying out the potter's wheel? Discover the secrets of making pots as you learn and develop the basic skills of wedging, centering, and creating forms on the wheel. You'll learn techniques for throwing basic forms such as bowls, cups and vases. Those who come with experience will have help further developing their skills in throwing. Come to learn, create and have fun!

**(7 weeks) Includes 25 lbs of clay, glazes, firing & unlimited studio use**

**To hold your spot register today!**

**541.653.8089 · [www.clayspaceonline.com](http://www.clayspaceonline.com)**

## HANDBUILDING: Two Classes!

**Clara Lanyi**

**Cost: \$210**

**Tuesdays 6:30pm to 8:30pm | Sept 11 to Oct 23 -or-**

**Thursdays 12:00pm to 2:00pm | Sept 13 to Oct 25**

Access your unique creativity and learn something new in this handbuilding class for all levels! Techniques covered for beginners will include pinch, coil, and slab constructing which are the basics for building both functional and sculptural work in clay. Intermediate and advanced students will also be presented with demos and support to take their work to the next level. Basic and more advanced surface decoration and glazing techniques will be presented toward the end of the session. Throughout this class, we will discuss developing and expressing your own creative vision through the ceramic process.

**(7 weeks) Includes 25 lbs. of clay, glazes, firing & unlimited studio use**

## BEGINNING WHEEL THROWING — EVENINGS

**Mariah Williams**

**Cost: \$185**

**Wednesdays 7pm to 9pm**

**September 19 to October 24**

Discover the intricacies of working on the potter's wheel. Learn and develop the basics of wedging, centering, and creating forms on the wheel. This class is open to new and experienced individuals who wish to generate more ability for creating wheel thrown functional forms. It will be jam-packed with tips and tricks for beginners. Those who come with experience will have help fine-tuning the nuances of throwing. This class will provide substantial individual attention to beginners and will enable students to evolve and improve their pottery making skills. Come to discover, develop, and create!

**(6 weeks) Includes 25 lbs of clay, glazes, firing & unlimited studio use**

## CELEBRATING with PORCELAIN on SUNDAYS!

**Katie Swenson**

**Cost: \$210**

**Sundays 2pm to 5pm**

**September 9 to October 21**

Considering porcelain or handbuilding but can't make a weekday class? Come and spend Sunday afternoons learning about Porcelain. This clay is the white, fine and translucent material that exhibits color and detail better than any other clay. Katie teaches basic hand building methods and her own special techniques developed over the years. There will be tubs of colored clay to use. You will get an opportunity to mix some colors, develop your designs and use this special clay to actualize creative energy.

**(7 weeks) Includes 12.5 lbs of clay, glazes, firing & unlimited studio use**

## EARLY FALL WORKSHOPS

### MONSTER WORKSHOPS

**James DeRosso**

**Monday, October 15th | 5:30pm & 7:30pm**

Join James DeRosso this October for a monster making workshop with a colorful twist! James has devised a way to add a spot of color that will make YOUR monster stand out in a crowd! Spend about 90 minutes making your very own monster with James as your guide. Sign up for a session by yourself or with a companion. It's a great family experience. Supplies and tools are provided. Upon completion, the monsters will be bisque-fired, glazed, and then high-fired. We'll call you when they are ready to be picked up!

**Workshop Fee: \$30 per person (includes materials)**

***More Workshops on the other side!***
