

WEEKEND CLASSES

BEGINNING WHEEL THROWING — SATURDAYS

Meadow Scott

Saturdays 11:30am to 1:30pm

Class Fee: \$185

July 13th to August 24th

*Clay packages are purchased separately**

Whether you are embarking on a serious study of ceramics, or just looking to unwind and have fun with clay, this class is for you! We will focus on building foundational skills like wedging and centering to maximize your success on the wheel; then we'll explore simple forms such as mugs, vases and bowls as well as basic decorating techniques. Students with a bit of experience will be challenged to hone their skills and work with larger pieces of clay and more complex forms. Whatever your goals are, come join the fun!

(7 weeks) Includes a locker & studio use during open hours

**Clay package: \$35 includes 25 lbs. of stoneware clay, glazes & firing*

SUPER SUNDAY PORCELAIN

Katie Swenson

Sundays 1pm to 4pm

Class Fee: \$185

July 14th to August 25th

*Clay packages are purchased separately**

Has Sunday opened up for you with an opportunity to explore something new? Katie will again make a Porcelain hand building class available on the weekend. This class is open to any level of student. Similar to the Monday class it will have mixed abilities and all are welcome. We will share the colored clay batches that we mix in class and lessons in construction will be done with use of the colors included. Translucency and fineness are two outstanding qualities of this clay. Within the open and warm space there is possibility we can let Sunday Porcelain be a charmed chunk of the weekend just for you.

Summer at Clay Space:

Join us for our ongoing wheel classes throughout the week and on Saturday mornings or sign-up for a porcelain handbuilding class on Sundays or Mondays! This summer we'll be welcoming two new stoneware handbuilding instructors, both offering exciting classes on Tuesdays & Thursdays! Two Monster Workshops in July will also offer a 90-minute spark of activity to look forward to. The end of the summer rounds out with a special 4-week workshop on Horizontally Layered Colored Clay with Alan Kluber. Stay connected to us through Facebook, Instagram and our website this summer!

Other ways to use the studio

If you would like to make Clay Space a part of your regular schedule, we have a **month-to-month membership**, and a **3-month membership** option. There are some great benefits to having a membership, including unlimited access to Clay Space during normal business hours. That means there's no limit on how much time you can spend creating!

Ten-packs*, **five-packs*** and **day passes** are other easy and flexible ways to use the studio for experienced clay folk. One ten-pack gives you ten day-long visits to the studio for you to use at your convenience. Ten-packs can also be shared.

*(*Note: Our 5- and 10-Packs expire 12 months from purchase date. Day passes, 5-Packs and 10-Packs are for people who have experience with clay and are able to work in the studio on their own without instruction)*

Remember to visit our store!

You'll be supporting creative expression in our community.

MAGICAL MONDAYS WITH PORCELAIN

Katie Swenson

Class Fee: \$185 *Clay packages are purchased separately**

Summer is into full swing and we are all celebrating the longer days of light. Capture that essence in translucent porcelain. Katie has been offering her style of hand building and we continue to be delighted with all that can be created from this brilliant clay! Class will address coloring the clay body and using those colors to achieve marbled effects as well as inlay of design. Discovery of the infinite possibilities is encouraged. Students that continue to enroll have mastered this medium and share openly with new students. There is a wonderful spirit of sharing and adventure in these 3 hours of class on Monday with a Porcelain vibe.

SLIP DECORATION & GLAZE FOUNDATIONS

Mariah Williams

Class Fee: \$185 *Clay packages are purchased separately**

In this class you will create a set of your own ceramic test tiles using the extruder, gaining a basic understanding of the extruder as another tool and means for creating. You will also learn how to work with colored decorative slip. Colored slips provide the opportunity to add layers of decoration to your piece prior to being fired. There are a multitude of methods utilizing colored slips to add more dynamic surface to your work and additionally expand your abilities to apply glazes with confidence. This class will provide further insight into the foundations of the glazing processes. Gain more knowledge of the application process, and the overall do's and don'ts to create successful finished work. You will be creating your own pieces outside of class time to be applying these techniques to. Come develop your abilities to add more layered decoration to your work and refine your glazing knowledge and experience!
