Porcelain Spirit Vessel

A GUIDED SHAMANIC EXPERIENCE WITH PORCELAIN

Shamanic Guide:

Porcelain Guide:
KATIE SWENSON

INVOKE YOUR POWER ANIMALS & HELPING SPIRITS TO GUIDE YOUR CREATING OF A SPIRIT VESSEL WITH THE PLIABLE, MAGICAL NATURE OF PORCELAIN!

Learn to use this unique material to create a vessel. You will then ask to collaborate with your spirits to form and shape the vessel into a representation and honoring of your experience with them.

This 3-hour class begins with instruction in basic vessel construction, then moves into shamanic creating with the help of calling in our spirit helpers and power animals. We maintain the mood with drumming CDs and other music. A closing ceremony will thank our spirits and release them.

Your piece begins as a unique form of mixtures of Earth elements from ancient recipes. Water and Air are partners in your creative process. Fire transforms your piece into a vitrified vessel able to hold liquid.
